From the Principal.....

It was a great first week back at school! 2020 is off to a great start and we have some amazing things in the works and our first stop, Northview ART!

Pictured below are brand new art tables that were installed this past week. There's more to be done in order to update and modernize our facilities and materials, but we are dedicated to revitalizing ART at Northview High School. Currently we are working with art club students to sponsor a **Northview Takeover** of **Chick Fil A on Central Ave**. on **January 21st**! We will be sending out more infomation next week, but make sure you save the date (1/21/20) because we want to break some records!

Talking to Your Teen

For something different, each week we're going to post some possible questions from a game calling "Gaining Insight" by Kathy Khalsa & Estelle Leutenberg. Hopefully this will start some interesting conversations between parents and teens

Gaining Insight

Ask your teen:

- What prevents teens from welcoming new students at school?
- What are your thoughts when a new student comes in, do you talk to them?
- How can the school be more welcoming, if they aren't already?

On the Horizon

- **Seniors** start watching for Scholarship Deadlines

- **1/14 ~** Sophomore **Career Day Day**/Pre- scheduling

Sylvania Schools
Project Unify

Hello Students and Families,
Project Unify is back for our winter season. We will have opportunities to play two basketball games 1)at the big Southview/Northview game and 2)at the Northview vs. Bryan game against a unified team from Toledo Public. Students are also able to participate with the cheerleaders at the Northview vs. Southview game. Lastly, we will have the opportunity to play in a Unified Tournament in Michigan against other unified teams.

WHAT IS PROJECT UNIFY?

Project Unify is an inclusive program that unites Special Olympic athletes (individuals with developmental disabilities) and peers (individuals without developmental disabilities) through the power of sports. The ultimate goal is to build greater respect and appreciation within our school community. We welcome all students to participate and can strive to provide a one-to-one peer buddy (if requested) to ensure your student's success. This is a free event and we really hope to recruit a lot of students!

EVENTS

Practices:
* January 21st- 7-8 pm
*January 28th- 7-8 pm
* February 6th - 7-8 pm

Games:
* Southview vs. Northview Game: January 31st around 6:30 pm
* Unified Sylvania vs Unified Toledo Public (We will have only one Sylvania team playing together) Game: February 10th

*** ALL Practices and games are at Northview High School in the main gym

In the future...

In February or March there will be a unified basketball tournament in Michigan. We will take a bus as a unified Sylvania team and have the opportunity to play multiple games against other unified teams. I will provide more information about the opportunity as soon as I have the details from the tournament coordinator.

Dress Code Refresher

The dress code has not changed from last year. It is important to remember that we want students to dress appropriately for school in such a manner that does not distract them or others from the educational process. Appropriateness and tastefulness are the criteria of proper dress for both males and females at both high schools. ***The following establishes the minimum acceptable standards for student dress:***

- **All shirts and tops must have shoulder seams that are at least four inches wide, full back and fronts. Transparent, excessively tight or see-through tops, bare midriffs, strapless tops and outfits that provide minimum coverage or show cleavage, or are of a suggestive nature are prohibited;** halters, backless dresses or tops, tube tops, muscle shirts, tops with frayed edges, or any clothing exposing undergarments or excessive skin which may be distracting are prohibited. One-armed sleeved shirts are not permitted. Blouses or shirts should be tucked in or extended below the waistband.
- **Apparel shall be adequate in both length and coverage** to be considered appropriate for school. Shorts, dresses and skirts must be below the fingertips when the arms are extended down the sides. No holes in clothing.
- Boxer shorts, pajama bottoms and bedroom slippers are prohibited. Pants or boxers shorts having exposed or open flies are prohibited.
- Any articles of clothing or jewelry that could likely cause injury, such as spiked belts, chains, bracelets, rings, chokers, handcuffs, safety pins on the body or studs are prohibited. Wallet chains of any length or size are prohibited.
- Apparel, emblems, insignias, badges, or symbols that promote or advertise the use of alcohol, drugs, tobacco, sex-related slogans, violence or any other illegal/inappropriate activity are prohibited.
- Apparel or symbols, which may be gang or cult-related, are prohibited.

Announcements

- Head coverings, including hats, bandanas, headbands, skullcaps or scarves worn as head coverings are prohibited, unless for religious reasons.
- Eye contacts that cover the cornea with designs will not be allowed.
- Pants, shorts, and skirts must be worn at the waistline.
- Coats will be prohibited during school hours.

When dress or grooming is questionable, the school administrators shall make the final decision. Students in violation of this code may be removed from school or an activity and sent home to change. Time missed from school/class will be considered unexcused. Continued violations will result in discipline. Policy 5600, Section M (Inappropriate Attire).

Attendance News

For general attendance information, please see pages 12-15 in the student handbook. These pages cover PCAs, college visits, doctor's notes, etc. Below you will find new information regarding the changes in attendance law in Ohio. Please be aware of these changes.

Excessive Absences

- Following requirements for Ohio House Bill 410, a student who has been absent with or without a legitimate excuse for 38 or more hours in one school month or absent 65 or more hours with or without a legitimate excuse in one school year will have a letter sent home informing parents that the student is considered excessively absent from school.
- A student reaching 65 hours or beyond of absence may have their name forwarded to Student Services. (Absences used here would not include days for which a medical or court excuse has been provided.) Student Services may set up a conference with the parents, the school principal/designee and the Director of Student Services. Possible results of this conference could be referral to the courts, Children Services and the withholding or withdrawal of a student's driver's license, etc.

Announcements

Habitually Truant

Under Ohio House Bill 410, the definition of 'habitually truant' has changed from days to hours. The definition now is:

- absent 30 or more consecutive hours without a legitimate excuse,
- absent 42 or more hours in one school month without a legitimate,
- or absent 72 or more hours in one school year without a legitimate excuse.

When a student is habitually truant, the following will occur:

1. Within 7 school days of the triggering absence, the district will do the following:
   a. Select members of the absence intervention team, and
   b. Make 3 meaningful attempts to secure the participation of the student's parent or guardian on the absence intervention team.
2. Within 10 days of the triggering absence, the student will be assigned to the selected absence intervention team.
3. Within 14 school days after the assignment of the team, the district will develop the student's absence intervention plan.
4. If the student does not make progress on the plan within 61 days or continues to be excessively absent, the district will file a complaint in the juvenile court.
