THE STORY BEHIND THE PICTURE

The Artist is Miss Taya Beth Lackey of Jacksonville, a recent 2019 graduate of Trimble High School. When asked if this painting was for sale, Miss Taya said “Yes! I am starting the Linda Craddock scholarship .” It will be awarded for the first time in 2020. This painting was auctioned off and Jimmy Richards bid **\$500.00** and won it!

“I did it because Linda was a teacher of mine and she inspired me at a young age to start painting and finding what I love most about art. She deserves to have a scholarship in memory of her because **she was a selfless individual that always put a smile on everyone’s face,**” says Miss Taya Beth Lackey. She was a very loved teacher by all students.

PLOWING THROUGH

THE ODOT snow plow is finished! It will be on the road for winter 2019. Mrs. Char Richards says “It was done with **LOTS** of help from students. I am so proud of them!”
