

Welcome!

1. Communication — Mr. Fisher will send a *Remind* text for most things. **Please stay subscribed to the NHS Remind throughout the summer.**

2. Volunteering – **If you sign up to volunteer, you must show up - people are depending on you!** Please be sure that your service hours are **legitimate community service**. **Summer hours, in particular, tend to push the limits of what can be considered service to the community. Ask yourself if it is really a service to the community. If it doesn't serve the greater community, it shouldn't be counted.**

3. Hours – See Mr. Fisher's Website at <http://www.wssd.k12.pa.us/MrFisher.aspx> go to National Honor Society, then to NHS Hours. All members must complete 40 service hours, including 10 sponsored hours. **Junior hours are due on May 25, to allow time to confirm completion of hours before summer vacation and allow time for appeals.** Hand in hours slips in a timely manner, so our records are clear and correct. **All hours must be divided into small increments of time that specify particular activities. No general descriptions of activities lasting more than a few hours will be accepted.**

4. **The annual Ice Cream Social to say goodbye to the Seniors is after school, next Thursday, in the cafeteria.**
