Interested in Coaching?

Volunteer coaches are needed to run this youth league.

If you are interested in coaching, great! Knowledge of baseball isn't as important as being a positive role model for the kids. Coaches are asked to attend a coaches meeting to get important information and resources on fun drills and activities to help coach.

Game Information

The program places a strong emphasis on fun, fair play, equal playing time and learning the fundamentals of the sport. All players learn each position. Score will not be kept except for competitive leagues.

Y-to-Y Flag Football, Volleyball, and Cross Country games will be played at various YMCA/JCC in the greater Toledo area.

Games will be played on Saturday except for Cross Country. Those meets will be Monday's or Wednesday's.

Game schedule available by May 1st

Games start May 5th.
