The purpose of the School-Parent Compact, found in Section 1118 of Public Law 103-382, is to build and foster the development of a school-parent partnership to help all children achieve the state's high standards. Responsibility for improved student achievement will be shared by parents, the child, and teachers.

Parent/Guardian

Communication between teachers and parents is important. As a parent or adult who has responsibility for the child, I will read each progress report and talk to my child about the progress report.

I, Debbie Reckiegel, agree to be responsible for supporting the learning of my child in the following ways:

- Reading progress reports
- Helping my child do reading homework
- Establishing a time for homework
- Attending classroom conferences
