

“ALL IT TAKES IS 1”

Sober Driving Pledge Form

*"I pledge to always drive sober. I understand that it only takes **one** person, **one** drink, **one** choice, and **one** second for my life or the life of another to be over. By taking this pledge, I will never willingly allow my friends, family, or co-workers to drink and drive. If I drink, I will know the alternatives for getting home safely and in turn will utilize a safe alternative every time. I will insure that those around me know the safe alternatives as well. If I drink, I will make a plan and stick to the plan, so I will get home safely."*
