

# L-B Nest 2017-2018 REGISTRATION

## Program Description

The Nest is designed to provide safe and quality care for children grades Kindergarten through 5th. Children have the opportunity to participate in daily activities which promote academic achievement, creativity and social skills. All Nest employees meet and exceed the Ohio Department of Education Standards for school-age care. The NEST site opens at 6:30 AM for the before school session. Learning centers, fine and large motor skill games, homework review time, and breakfast are offered each morning. Children are then dismissed at the appropriate times to their classrooms. The after school session consists of a homework and academic review time, a nutritious snack, and a variety of planned developmentally appropriate learning experiences. The Nest site closes at 6:00 PM. It is open for school delays, but closed for all school closures.

## Before and/or After School Fees

A \$30 per family registration fee is due with your registration, but does not guarantee a spot with The Nest until we have confirmed we have space for your child. If a spot is not available, we can place you on a waiting list or refund your registration fee. Child care is provided as a monthly service paid on a monthly basis.
