WEST SHORE SCHOOL DISTRICT
Parent Access to Schoology

Schoology is available to parents with children in grades 6-12 via an access code. Follow the steps below to retrieve the access code and log in with a parent account.

1. Go to PowerSchool https://psweb.wssd.k12.pa.us/public/home.html and login to your PowerSchool parent account.
2. Click on the "Schoology Info" link located in the bottom-left corner of the screen.
3. Copy the 12-digit parent access code.
4. Click on the bulleted link https://app.schoology.com/register.php?type=parent and enter the following information.
   a. Parent Access Code obtained in PowerSchool.
   b. First name, last name, email or username, and password / confirm password.
   c. Click the blue Register button

After selecting your child's name from the down-facing arrow on the top right. You will be able to browse your student's courses, recent grades, and upcoming projects. Not all teachers are using Schoology. If you login and do not find information for a particular course, please contact that teacher directly.

For those parents will multiple children in grades 6-12. The option is available to add a child to your Schoology account. To do so, repeat steps 1-3 above to obtain the Parent Access Code for the other child(ren). Then return to your Schoology account and click on the down-facing arrow in the upper right to select "Add Child." After entering the Parent Access Code for that child their information will also be accessible.
