

An orderly environment is critical for teachers to be able to teach and students to be able to learn. Students are encouraged to participate in school efforts to create a safe, orderly and inviting environment. Students also are encouraged to exercise their constitutional rights to free speech as a part of a stimulating, inviting educational environment. A student's right to free speech will not be infringed upon; however school officials may place reasonable, constitutional restrictions on time, place and manner in order to preserve a safe, orderly environment.

Principals and teachers have full authority as provided by law to establish and enforce standards and rules as are necessary to create orderly schools and classrooms.

4. engaging in behavior which is immoral, indecent, lewd, disreputable or of an overly sexual nature in the school setting;

6. interfering with the operation of school buses, including delaying the bus schedule, getting off at an unauthorized stop, and willfully trespassing upon a school bus.
7. engaging in any consensual sexual activity while on school property or at a school sponsored activity or event.

B. CONSEQUENCES
