

To fulfill the educational goals of the board, the board will seek as many sources of revenue as determined to be beneficial to the district. The superintendent will seek public and private grants and funding for special projects as a source of supplemental funding. Employees also are encouraged to learn about special funding opportunities and to participate in the development of proposals to obtain the funding.

All applications for grants or specially funded projects will be in accordance with the educational goals of the board. Contracts with non-governmental funding entities must be consistent with G.S. 143C, art. 6A.

When required by the funding agency, the proposals will be presented for board approval. The board will be notified of all funds awarded.

The superintendent will establish any procedures necessary to develop an efficient and effective process for seeking special funding.
