National School Counseling Week

It's National School Counseling Week! School counselors in Asheboro City Schools work collaboratively and intentionally to prepare all students to meet success. They work with students through each transition so that they have the chance to be developmentally, emotionally, and academically competitive for college, careers, and citizenship. The counselors would like to thank their fellow educators and staff for working with them to provide an education system where students can realize their potential and set healthy, realistic, and optimistic aspirations.

Corey Comet Supports Flu Prevention

According to the Centers for Disease Control, practice these healthy habits to avoid flu:

1. **Wash your hands with soap and warm water** frequently throughout the day. You may also use hand sanitizer when soap and water are not available.
2. **Cover your cough or sneeze** with a tissue or your upper arm/elbow.
3. **Avoid touching your mouth, eyes or nose.**
4. **Avoid contact with sick people.**
5. **Stay home from work** when you are sick with a fever. You should be fever-free for 24 hours before returning to work.
6. **Eat healthily and hydrate often.**
7. **Exercise.**
8. **Find ways to reduce stress.**
9. **Get a good night's sleep.**
