Drills

We have been practicing our fire, tornado, and bus safety drills (we will be practicing our security drills). These drills allow us to all be ready to respond to an emergency situation. We focus on teaching our students to stop, look and listen to all staff members and follow their directions. Our consistent message to students is that we are prepared so we don't need to be scared.

We Welcome our new Music Teacher

Mr. Spencer

The students will be participating in Halloween activities on Friday, October 26th.

Costumes: Students may wear their costume to school with the exception of masks. If your child is wearing a mask, please have it brought to school in the book bag or a bag. Help your child choose a costume that allows him/her to participate in activities that day. (High heels, flip-flops are not permitted.)

If your child's costume requires makeup, please keep it to a minimum and have it put on at home. We will not allow students to put it on in school.

Students will not be permitted to wear gory or violent costumes nor bring or carry any item that is a weapon. This includes: guns, knives, swords, spears, pitchforks, etc. Please keep these at home for your children to enjoy when trick-or-treating under your supervision. This will allow us all to have a safe and enjoyable party at school

Classroom parties will begin at 2:00 p.m. and will conclude at 2:45 p.m. to prepare for dismissal.
