To Be Completed by the Student
In his/her own handwriting

Short Answer:

1. Explain why you are interested in attending Wayne School of Engineering.

2. Maintaining good attendance in an early college program is very important. Describe your attendance from last year and explain your absences, if you had more than 10.

Your signature below indicates that these answers are your handwritten work and that you agree to abide by the following expectations for the WSE.

- ❖ To attend school daily and arrive on time to all classes.
- ❖ To abide by and cooperate with WSE and Wayne Community College.
- ❖ To have a parent/guardian notify the school on the day of an absence.
- ❖ To devote sufficient time each evening to homework and study.
- ❖ To keep your parents/guardians informed of your academic progress.
- ❖ To stay in school until a high school diploma is earned.
- ❖ To enroll and be successful in college classes.
- ❖ To attend tutorial sessions and/or seminar as required.

Student Signature: _____ Date: _____

To be completed by Core Subject Teacher

Wayne School of Engineering CORE SUBJECT TEACHER Recommendation:

Student Name: _____

Teacher Name: _____

Subject Taught: _____

Please reflect on the TYPICAL behavior of this student, and check yes or no in response to each statement.

	YES	NO
Contributes ideas in class		
Generally has a positive attitude about work		
Listens, shares and supports others		
Attempts to follow directions		
Satisfactorily completes assignments		
Submits assignments on time		
Is respectful of peers, adults and property		
Satisfactorily manages own behavior		
Attends school regularly		
Has ability to handle a rigorous academic environment		

Do you have any significant discipline/behavior concerns about this student that you feel would interfere with him/her being a successful and responsible member of the WSE (and college) community? If yes, please explain.

Please return completed form to student in a signed, sealed envelope with student's name on front of envelope, to be submitted with the application.
