ANSWER BY SIGNING YOUR NAME AT THE APPROPRIATE ANSWER.

NO _____ YES _____

Due to the length of time required for completion of the records check, it may occasionally be necessary to employ a person prior to the Board of Education having received the results of the criminal records investigation. In these cases, the Board of Education shall rely on the applicant information provided in the employment application. However, by signing this document I specifically agree that if I am employed by the Board of Education prior to its receipt of a response from B.C.I. my employment shall be contingent upon subsequent receipt by the Board of Education of a report from B.C.I. which is consistent with my answer to the above question. In the event I have been employed prior to the Board of Education having received a report from B.C.I., and a subsequent report from B.C.I. is received which is not consistent with my answer to the above question, I specifically agree that the action of the Board of Education employing me shall be void without any further act by either party, and that my employment will terminate immediately without the necessity of proceedings to formally terminate my contract of employment.

I hereby certify that the statements contained in this application or other documents submitted and the statements made during my interview process are true and complete to the best of my knowledge, and I understand that material omissions from or false statements made in this application or other documents submitted or occurring during any interview process shall be grounds for denial of employment or discharge. I authorize the Indian Hill Exempted Village School Board, its members, agents, employees and the Indian Hill School District (collectively "Indian Hill Schools") to investigate references provided and all statements contained in this application or and other documents submitted or made during any interview process, and I release all parties from all liability for any damage that may result from furnishing any information to the Indian Hill Schools. I also indemnify the Indian Hill Schools against any liability which might result from making such investigation. I also consent to voluntarily submit to and authorize the Indian Hill Schools, through a physician chosen by it, to conduct a post-offer medical examination as a condition of employment. I also consent to voluntarily submit to and authorize the Indian Hill Schools to conduct tests for the illegal use of drugs and I understand that the failure to pass such tests may be grounds for denial of employment or termination, if employed at the time. I also agree to indemnify and hold the Indian Hill Schools harmless from any liability which might result from conducting such an examination or tests.

I understand and agree that nothing stated in this employment application, in any other document, or in any interview is intended to create an employment contract between the Indian Hill Schools and myself for either employment or for the providing of any benefit. Likewise, no such contracts are intended to be created from the mere granting of an interview. No promises or guarantees regarding employment have been made to me, and I understand that no such promise or guarantee is binding upon the Indian Hill Schools unless made in writing by the Superintendent of the Indian Hill Schools, and then only for the time specified.
