

# Sylvania Schools Project Unify

Hello Students and Families,

Project Unify is back for our final event of the school year and we want to try something new. We are going to play kickball! All students will have the opportunity to try kicking and fielding as we will play several innings.

## WHAT IS PROJECT UNIFY?

Project Unify is an inclusive program that unites Special Olympic athletes (individuals with developmental disabilities) and peers (individuals without developmental disabilities called Unified Partners) through the power of sports. The ultimate goal is to build greater respect and appreciation within our school community. We welcome students of all ages to participate and can strive to provide a one-to-one peer buddy (if requested) to ensure your student's success. This is a free event and we really hope to recruit a lot of students!

## EVENT: KICKBALL GAME

Date: Saturday, May 11th

Time: Approximately 11 am-12:30 pm
