# An Evening of Remembrance

**with Holocaust Survivor**

**Martin Lowenberg**

**When: Monday, March 11, 2019**

**Time: 6:30-8PM      Where: Southview's Auditorium**

Lowenberg was born in Germany in 1928 -- five years before Adolf Hitler came to power. That day, Jan. 30, 1933, forever changed Lowenberg's life.

He spent his teenage years living in five different concentration camps, after being separated from his parents and twin brothers who perished. He did reunite with his sister after the war.

During this evening presentation Mr. Lowenberg will tell his story-his experiences-in hopes that we can, someday, bear witness to the past.
