# Accessing Your Child's Grades in PowerSchool
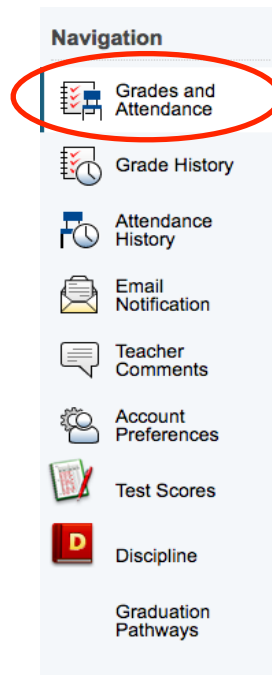

1. Sign in to your PowerSchool account. This is the same account you used to register your child at the beginning of the school year.

    Website - https://oregon.ps.nwoca.org/public/

2. Once you are signed in, click on Grades and Attendance from the menu on the left hand side of the screen.

3. To see your child's marks for each standard that was scored during the quarter, click on the Standards Grades tab and click Expand All.

| Grades and Attendance | Standards Grades |
