## U.S. Presidential Scholar Program Candidate

During the first semester of the school year, Asheboro High School nominated one senior who had achieved high academic success while overcoming obstacles to represent the district at the state level competition for the U.S. Presidential Scholars Program. The NC Department of Public Instruction submitted the names of 20 nominees to advance to the national level competition phase. Asheboro City Schools senior, Tommy Huynh, was selected as one of those students. Tommy Huynh was one of over 4,500 candidates out of nearly 3.6 million seniors across the nation to be selected, after which up to 161 were chosen as U.S. Presidential Scholars. Congratulations to Tommy for being selected as a U.S. Presidential Scholar candidate.

## Donna Lee Loflin Pep Rally

On May 29<sup>th</sup> the staff and students at Donna Lee Loflin held an exciting EOG pep rally to cheer on the 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade students. The K – 2<sup>nd</sup> graders proudly displayed the posters they had made with positive words of encouragement. Each grade level was introduced and entered the auditorium with their own inspiring song as the younger students cheered. Several teachers performed an entertaining skit demonstrating test-taking strategies. The pep rally concluded with an original dance to the song “Champions” choreographed and led by Ms. Parry and her fabulous 4<sup>th</sup> graders.

## North Asheboro Middle School Students

Over the weekend North Asheboro Middle School's Jr. Beta Club students completed a service project at Charles W. McCrary and NAMS 8<sup>th</sup> graders enjoyed their 8<sup>th</sup> grade social at The Exchange.

## ESL Teacher Meetings

The high school ESL teachers conducted presentations that covered plenty of good information about high school that North and South Asheboro Middle School parents might otherwise miss due to language barriers. It meant so much for parents to be able to ask questions and hear important information about their children's future in their native languages.
