The Board of Education believes that the efficient administration of the District may require the disposition of real property and/or personal property that is no longer necessary to meet the educational or operational needs of the School District.

"Real Property" means land, including land improvements, structures and appurtenances thereto, but excludes moveable machinery and equipment.

"Personal Property" means tangible property other than real property. It may be tangible, having physical existence, or intangible and may include automotive vehicles, equipment, and materials.

All property considered for disposition may be subjected to a current, outside, professional appraisal prior to the solicitation of offers.

Disposition of Personal Property under \$10,000

Personal property, the value of which does not exceed \$10,000, shall be disposed of by the Superintendent in such a manner as will be in the public interest and benefit the School District (see Policy 7300 - Disposition of Real Property/Personal Property and Policy 7310 – Disposition of Surplus Property). If the Board decides to trade an item of personal property as a part or an entire consideration on the purchase price of an item of similar personal property, the Board may trade the personal property upon such terms as are agreed upon by the parties.

Disposition of Real Property under \$10,000

Real property, the value of which does not exceed \$10,000, shall be disposed of by the Board in such manner as will be in the public interest and benefit to the School District and may be accomplished by private sale. If the Board identifies a parcel of real property that it determines is needed for school purposes, the Board may, upon majority vote of the members of the Board, acquire such parcel by exchanging its real property for the parcel or using the real property as part or an entire consideration for the purchase price of the identified real property. Any exchange or acquisition shall be made by conveyance executed by the President and the Treasurer of the Board.

Disposition of Personal and Real Property over \$10,000

3. exchanged for an identified parcel of real property that the Board determines it needs for school purposes or the property is being used as part or an entire consideration for the purchase price of the identified real property, pursuant to R.C. 3313.41(F); or
4. traded as a part or an entire consideration on the purchase price for a similar item of personal property upon such terms as agreed to by the parties to the trade pursuant to R.C. 3313.41(D) or
