

BROGDEN MIDDLE SCHOOL SIG PARENT NEWSLETTER

WHAT IS SIG?

School Improvement Grants are federal grants authorized under 1003(g) of Title I of the Elementary and Secondary Education Act of 1965 (ESEA).

Grants are awarded to priority and focus schools that demonstrate the greatest need for funding and the strongest commitment to using funds to provide adequate resources to substantially raise the achievement of students.

BROGDEN MIDDLE SCHOOL

Brogden Middle School was fortunate to be awarded a School Improvement Grant in the fall of 2016. The 2016-2017 school year was used as a planning year. We are currently in year three of implementation. We will continue to implement strategies that will increase student achievement and establish structure to ensure that future students have the best educational opportunities at Brogden Middle School.

How will SIG impact my school?

Funds are used to support teacher and leader effectiveness, implement comprehensive instructional reform, extend learning time and create community-oriented schools, and provide operating flexibility and intensive support.

What are some things happening at BMS?

SIG funds are being used to support student remediation opportunities, Parent/Student Engagement Nights, development of the Model Classroom, Summer Enrichment Camps, and continued professional development for our staff.

What can I do?

We believe parent involvement and community partnerships are essential to student and school success. Our school improvement efforts are more effective if all stakeholders work together. At BMS we are planning parent workshops, setting up conferences with staff, and hosting parent engagement activities. We encourage you to be part of some or all of these activities

*At Brogden Middle School... Everyone Matters,
Every Moment Counts!*

2019-2020 SIG Goals

SIG Specialist- Ms. Jessica Murray

WE WANT TO HEAR FROM YOU!

We will send home written reminders about fun and informative opportunities. We welcome your suggestion in planning our parent and community events. If there are topics that you would like us to address or if there are activities you would like for us to consider hosting, please let us know. We value your input.
