8th Grade	Tues. 4/16/2019	Thur. 4/18/2019		Tues. 4/30/2019	Wed. 5/1/2019		Tues. 5/7/2019	Wed. 5/8/2019

- Our teachers do an excellent job preparing our students for these assessments, so there should be no reason for stress or anxiety. It is simply an opportunity for students to *show what they know*.
- All students are expected to be in attendance during testing days. In addition, please make sure they start their day with a healthy breakfast, either at home or at school. This is incredibly important.
- Please promote quality sleep and outstanding effort with your children. Successfully demonstrating what they have learned is a life skill that they will need in their futures (ACT/SAT tests, college admittance, trades certifications, employment licensures, etc.).
- If you have any questions, please contact me at cosmith@edisonchargers.org, or by phone at (419)588-2079.

Sincerely,

Mr. Cory Smith
Principal
Edison Middle School
