

Ms. Mehlow

Our Norwalk Precast Molds location is searching for a high school boy to work part time in our shop. The position will work Monday-Friday, right after school until 5:00. Additional hours are available when there is no school. The pay is \$15.00 per hour. Duties include cleaning, stocking, some landscaping and light assembly.

Do you have a process at Edison to make students aware of the opportunity? Applications are accepted in person at 205 Industrial Parkway, Norwalk.

Thank you for your time.
