HIGH SCHOOL

Wapakoneta High School (WHS), founded in 1904, is one of four schools that make up the Wapakoneta City School system. This includes two NEW elementary buildings (grades K-4), one middle school (grades 5-7), and the high school (grades 8-12). The high school building, recently updated with a new fine arts wing and Performing Arts Center, is located on the north side of the city, convenient to the downtown of Wapakoneta as well as the larger city of Lima to the north. WHS, home of the Redskins, hosts approximately 1160 students.

GENERAL ORGANIZATION

WHS operates on a seven-mod day and is divided into two semester terms; each semester includes two nine-week grading periods. The school year is a minimum of thirty-six weeks, or one hundred eighty school days.

COMMUNITY

The population of Wapakoneta is approximately 9,900. The city is located at the crossroads of Interstate 75 and State Route 33 and hosts many small and large industries, diverse recreational facilities, and convenient shopping for its citizens. The downtown area of Wapakoneta has several small, unique businesses that allow residents as well as out-of-town guests both purchasing and eating entertainment. The Wapakoneta Waterpark provides hours of enjoyment each summer as does the YMCA and Veterans Park. In 2010, Wapakoneta was voted "Best Hometown" by *Ohio Magazine*. The town has also received national and world-wide fame as the home of the First Man on the Moon: Neil Armstrong; likewise, the Dance Centre in Wapakoneta helped prepare Kent Boyd for his success on "So You Think You Can Dance?" The Armstrong Air and Space Museum is visited by many outside guests worldwide.

CURRICULUM

Students may choose a general program of studies or an academic program leading to college entrance. Students also have an opportunity to attend Apollo, a modern vocational school, offering a comprehensive curriculum of career programs. The high school currently offers several College Credit Plus classes onsite. WHS students also have the opportunity of choosing from four languages: French, Spanish, German, and virtual American Sign Language.

CLASS RANKING

The following formula is used to determine the top five students who earn the honor of speaking during graduation: 50% G.P.A., 25% advanced/AP/ classes, 15% ACT composite, and 10% total credits earned (see reverse side).

(Any course with a “P,” “S,” or “U” is not calculated in the G.P.A., for example: Physical Education, Retro, SILP, or Solo\Ensemble.) Graduation speaking privileges are determined after the seventh semester has been completed.

G.P.A.	50%=x				
Honors	25%=y				
ACT	15%=z	$\frac{.50(x)}{4}$	$+$	$\frac{.25(y)}{16}$	$+$
Credits	10%=a			$\frac{.15(z)}{36}$	$+$
				$\frac{.10(a)}{28}$	

SUPPLEMENTAL TESTS

P.S.A.T. (family paid—optional)	Grades 9, 10, and 11
A.C.T./S.A.T.(family paid—optional)	Grades 9, 10, 11, 12
