

It takes a **VILLAGE**

The 2019-2020 yearbook theme is **It Takes a Village**. The Archer staff choose this theme to showcase the involvement of our community as well as the community we have within our walls. Antwerp is unique in that we have preschoolers through seniors in one building, and we all get to regularly interact with each other. To celebrate this unity, we're also unifying the grades into one yearbook.

The 2019-2020 yearbook will feature all grades in one book. Although there will be an emphasis on older students due to sports and organizations exclusively for older students, elementary coverage will be integrated throughout the entire book. Academics, sports, organizations, and student life will feature students from elementary through high school.

The Archer is an award-winning yearbook. Since 2016, we have been the top yearbook in Ohio earning All-Ohio from the Ohio Scholastic Media Association. Staff members of The Archer are also regularly are recognized on the national level by Quill & Scroll.

The Archer yearbook is produced entirely by the student yearbook staff. The yearbook staff takes the photos, determines the content, creates the layouts, develops the theme, edits all of the pages, and manages the financial responsibilities of producing the yearbook. The Archer staff does not use a yearbook company, and therefore is responsible for every aspect of the yearbook.
