

Campus Caravan

University of Cincinnati and Sinclair Community College

Bellbrook High School is hosting a "Campus Caravan" on Tuesday November 19th, 2019, visiting the University of Cincinnati and Sinclair Community College. The purpose of this program is to provide an opportunity for students to learn about campus life, admission requirements, academic programs and financial aid. Students will have the opportunity to compare two different campuses. This is not a recruiting effort for the colleges we will be visiting, but rather an opportunity for students to see and experience a 4 year college vs. a 2 year college. The cost of the trip is \$20 (includes transportation cost and lunch). Please make checks payable to Bellbrook-Sugarcreek Schools. If you would like more information about this opportunity, please contact Mrs. Scohy at 937-848-3737 x2911.
