

# Pepperoni Roll Fundraiser

**We have a great program to assist you in raising money for your organization. Everyone loves pepperoni rolls and our pepperoni roll fundraising program can help you achieve your financial goals. Here's how it works:**

## **Fresh Pepperoni Roll Fundraiser Sales Tips**

- **Members of the organization will take orders for the pepperoni rolls for \$2.00 each. For each pepperoni Roll sold, the organization makes \$1.00 profit!**
- **Rolls can be sold by the box of 13 as well. (Promote Boxes of 13 for increased sales)-Money is due at the time of Purchase**
- **The pepperoni rolls are approximately 7 inches in length and are individually wrapped in foil. The rolls are made fresh the evening before delivery, and when removed from the ovens, are buttered with garlic Butter and covered with parmesan cheese. The rolls can be eaten within 4-5 days of delivery, and need to be refrigerated, but they can also be frozen for up to 6 months.**
- \* **Use the order form to take orders. Feel free to use our Photos from facebook.com/pepperonirollers to blast the fundraiser to your friends, and have your parents do the same. Have your parents take the order form to work as well. The comments under your Facebook post will serve as your orders. Let the customers know you are selling pepperoni rolls for your group, and explain the price of \$2 per roll, or a case of 13 rolls for \$26. Ask them to let you know, in the comments, how many rolls they would like (Promote Cases). Fill in your master order form from these Facebook posts. You can typically get 10 cases sold just on Facebook/social media alone! That's 130 rolls SOLD!**

**GOOD LUCK IN ACHIEVING YOUR FUNDRAISING GOALS!!**
