Please join us for **Career Exploration Education Curriculum Writing Sessions**

June 25 & 26, 2019 - Initial work will take place over these two days. Future dates will be determined at the discretion of participants. Potential follow up dates are July 23 & 24.

These sessions are aimed at:

- Career Education teachers
- Guidance staff
- Anyone with an interest in career exploration education

Location: Mercer County ESC

These workdays will be an opportunity for collective work in developing curriculum specific to our region. As our districts move toward mandatory career exploration and education courses, the need for relevant, appropriate and available curriculum has grown.
