

# 2018-2019 Archer Yearbook Order Form

The Archer yearbook is produced entirely by the student yearbook staff. The yearbook staff takes the photos, determines the content, creates the layouts, develops the theme, edits all of the pages, and manages the financial responsibilities of producing the yearbook. The Archer staff does not use a yearbook company, and therefore is responsible for every aspect of the yearbook. We do this with a staff of about 10 kids each year.

We take yearbook seriously. When you go to a game or a band or choir concert, you will see a yearbook staffer there. We take academic pictures every week. We cover events in the community. Our staff puts an enormous amount of time into the yearbook. This is not just a one-period class. Yearbook staffers work evenings and weekends too. The yearbook staff is dedicated to producing a quality book that records the history of *this* school year. Since 2016, our yearbook has received the All-Ohio award from the Ohio Scholastic Media Association. We have also earned a Silver Medalist Critique from the Columbia Scholastic Press Association and a First Place Critique from the National Scholastic Press Association.

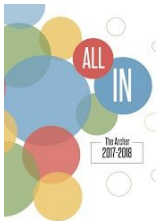

When you order a yearbook, you not only get a copy of our award-winning book for yourself, you help support our program. In our national and state critiques, one factor that the judges look is what percentage of students purchase a book. What use is having a great yearbook if nobody buys it? So, as a staff, we would like to thank you for your purchase and your support of our yearbook.

Our staff does our best to get every student in the yearbook. We especially focus on students who purchase the yearbook, which means that a student who purchases the yearbook early in the year is more likely to be used in our student features, quotes, and photos. If siblings are sharing books, please write both of their names on the order form, so we can make sure that we include all members of a family.

In order to encourage students and parents to order early, we are offering three tiers of pricing. Order early to save money.
