

ACTIVE TOURISM

Erie County 2017

ACTIVE TOURISM

WHAT IS IT? **ACTIVE TOURISM** IS A NEW TRAVELLING PHILOSOPHY THAT COMBINES ADVENTURE, ECOTOURISM AND CULTURAL ASPECTS OF A DISCOVERY TOUR. ACTIVE TOURISM IS LOW-IMPACT, ECOLOGICAL, SOCIALLY COMPATIBLE AND HIGH QUALITY. ACTIVE TOURISM AIMS TO COMBINE RECREATION, EDUCATION AND BRING BENEFITS TO BOTH THE TOURIST AS WELL TO THE VISITED LAND. ACTIVE TOURISM HAS MANY ASPECTS IN COMMON WITH ECOTOURISM AND NATURE TOURISM AND IT ALSO INTEGRATES SOME ACTIVITIES OF ACTION AND ADVENTURE TOURISM. ADDITIONALLY IT ALSO INCLUDES SOME ASPECTS OF CULTURAL TOURS AND ACADEMIC AND SCIENTIFIC EXPEDITIONS. THE FOCUS OF THIS PRESENTATION IS WALKING AND BICYCLING.

LOCAL ASSETS
