### **Asbestos, (Ahera) inspections, Union City Area School District**

Asbestos (Ahera) inspections are performed every 6 months in both Elementary and Middle/High buildings. Inspections are performed by an Accredited Asbestos Professional to insure proper testing. There is an Asbestos (Ahera) 3 year inspection that is also performed in both buildings. Test results are available at each building's main office for review.

This testing has been done as required. Test results have been consistently negative on all Ahera inspections performed.
