

LOST AND FOUND

Does your child lose things?

We can help you find it!

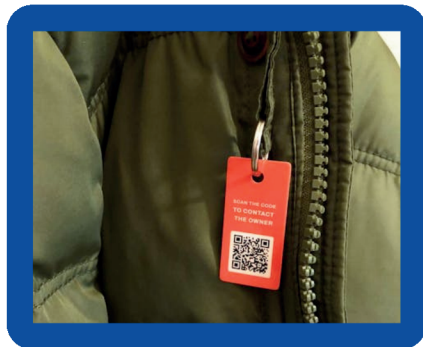

Asheboro City Schools has partnered with PingTag.com to help you track your child's belongings. Start by attaching a PingTag to your child's jacket, backpack, keys, or electronics.

If lost, people scan the QR code on your PingTag, it opens a unique web page for them to reach you via text and email without revealing your contact information to anyone.

Pick up your free PingTag QR code labels at the ACS Welcome Center
