

VA Northeast Ohio Healthcare System Community Mental Health Summit

**Baldwin Wallace University's Center
for Innovation and Growth
340 Front Street, Berea OH 44017
Sept. 13, 2024 • 8 a.m.–4:30 p.m.**

Strengthening Through Connection

Join us in discussing ways that we as a community can address the mental health needs of our local Veterans and their families. VA representatives and community agencies will be present. In-person attendance is encouraged, but the Summit will also be broadcasted virtually via Microsoft Teams. All Veterans and community members are welcome!

Featuring:

Featuring Key Note Speaker:
Lieutenant Colonel Robin "Phoenix" Johnson
Best Medicine Brigade, Certified Humor
Professional

Other presentations topics include:

PTSD • Whole Health • Suicide Prevention • Community Inclusion and more!
