

ERIE COUNTY YOUTH MOVE

Erie County Family and Children First and NAMI Erie County are organizing an Erie County group of Youth MOVE. YouthMOVE empowers youth to advocate for themselves and live healthy, meaningful lives. Our goal is to empower all youth and young adults who have experience with various youth-serving systems.

Do you know a high school student with lived-experience who would like to join? Transportation and other supports are provided. Please follow the QR code to our student application.
