

Dear Friends and Supporters,

On behalf of the Suicide Prevention Coalition, we extend our heartfelt thanks to everyone who participated in and attended the Mental Health Awareness Event on Sunday, May 18, 2025.

Your presence, energy, and commitment to mental wellness made the event a meaningful and impactful experience. Whether you were a volunteer, community partner, or attendee your contribution helped create a space of hope, healing, and connection.

We are especially grateful to the following organizations who generously donated raffle gifts: ADAMHS Board of Erie County, Berardi's Restaurant Huron, Erie Shore Network, Kalahari Resorts, NAMI of Erie County, and S.A.R.C.C. Your contributions brought joy and excitement to the day. A special thank you as well to Cedar Point for providing the delicious ice cream that everyone enjoyed on a beautiful Sunday afternoon.

Together, we raised awareness, shared resources, and strengthened our community's resolve to support one another. Events like this remind us that we are not alone—and that by standing together, we can break the stigma surrounding mental health and save lives.

Thank you for being part of this important movement. We look forward to continuing this journey with you.

If you would like to join our efforts to raise awareness, support mental wellness, and prevent suicide in our community, we welcome you to get involved. Together we can make a lasting difference. Please contact the ADAMHS Board office for more information: (419) 627-1908.

With gratitude,

The Suicide Prevention Coalition of Erie County
