

VIRTUAL Writing Intensive

LEAH MERMELSTEIN, AUTHOR

This five part series, with Leah Mermelstein, author of the upcoming book: We-Do Writing: Maximizing Practice to Develop Independent Writers (Benchmark Press, January 2021) will include both How to Launch a Book Study as well as a Book Study of her new book.

The first two parts will take place this August and will launch the book study, with the last three parts being the book study, which will be taking place this fall and into 2021.

Participants will read different parts of the book and engage in conversations and classroom-based research.

This will be a virtual series, via ZOOM, with sessions being recorded so teachers can participate even if not available on each particular day and time.

NOTE:

Initial readings may be provided to participants electronically for initial sessions, but participants will be responsible for purchasing their own copy of the book upon publication.
