"To be the supporting force in our community by providing excellence in student achievement for all"

Trimble Local Parents, Staff and Community:

Just a few brief pieces of information surrounding our district calendar to finish this ever changing school year. First, spring break will remain intact; several rumors have circulated about its cancellation but we will move forward with our original schedule. April 7th and May 4th modality of instruction will change with in person instruction on both days. Our past calendar would have indicated remote education on the 7th and a teacher in- service day on the 4th. Our last student instructional day remains May 21st, and our last staff day is now projected as May 25th.

Graduation has been moved to an outside venue at Glouster Memorial Stadium on Saturday, May 29th at 1pm. Our rainout day will be Sunday, May 30th at 1pm if needed. Attendance criteria will be announced at a later date. Needless to say, we appreciate your support and continued understanding during these ever changing times.

Sincerely,

John Hurd
Superintendent
