Students, staff, and community:

Today marks day 7 of closure due to the COVID 19 pandemic. While we all are in uncharted waters Trimble Local Schools will continue to offer academic and food services for the support our students and community.

Due to the recent order of "stay at home" and the use of only essential workers we will modify our home deliveries and office hours to help promote social distancing. Please note the following changes which go into effect immediately.

- Food delivery the week of **3-24-20 will be Monday/Tuesday/Thursday.**
- Starting the week of **3/30/20 we only will be delivering on Monday/Thursday.** The volume of food coming home at one time will increase, but we will still be providing 5 days of breakfast and lunch for each student in your household. Our delivery times will remain the same from 11-12:15.
- College Credit Plus classes will follow the procedures recommended by the college institution of enrollment
- Chromebooks: We currently only have about 20 not picked up if you have a need please contact your building to make arrangements for delivery or pickup.
- Hot spots have arrived, we have a limited number and will need to rotate these to all who have need. Contact your building to sign up and we will communicate a pick up time here at the district office. We would ask these be used one week at a time to allow for all who have need be provided an opportunity with the devices.
- If you are having issues accessing your online assignments please email your teacher, if further assistance is needed contact your building for support.
- As of 3/24/20 Junior/Senior prom has been canceled.
- Starting next week our PreK-12 building will be open **8-3 on Monday/Thursday.** District office hours will be **7-11 a.m. Monday/Tuesday/Thursday/Friday.** These practices again will be to promote the "Stay at home" order and encourage "Social distancing".

As always please be safe and remember once this pandemic passes we will be stronger as a community and school district.

John Hurd, Superintendent
