## *Drivers Education Program*

The Athens Area School District is pleased to be able to offer the Drivers Education Program to students who attend the Athens Area School District or to those who reside in the Athens Area School District. Please see list of requirements below that are the responsibility of the Parent/Guardian and Student.

1. Complete the Drivers Education Enrollment Form
2. Drop off completed form to the Athens Area High School office along with the following items:
  - Proof of Residency
  - Copy of Driving Permit (if student does not have it yet, student does need to provide it to the office prior to any driving.)
    - o Driving Permit may be obtained at the Monroeton, PennDot location on Route 220 in Monroeton, PA
  - Payment made payable to the Athens Area School District

After the above requirements have been met:

1. Student will receive, via email a login to *Instadriversed* to complete their 30-hour course of online instruction monitored by the instructor.
2. When student has completed all modules successfully, they should then email Mr. Rogers at [jrogers@athensasd.k12.pa.us](mailto:jrogers@athensasd.k12.pa.us) to begin scheduling drive time in the car. All driving lessons occur outside the regular school day. All scheduling will be conducted via email with the instructor.
3. Our drivers ed program is conducted year-round. Driving lessons are conducted after the school day, during the summer months, as well as on the weekend's.
4. Students must complete 6 hours of driving with our instructor, no more than 1 hour per day as per Pennsylvania state law. Students should be practicing their driving skills with their parents often. There will also always be at least (2) students in the car at all times.
5. Once all driving hours are completed the Drivers Education Instructor will conduct their driver's license test providing the instructor, and parents believe the child is ready.

## Athens Area School District Drivers Education Enrollment Form

Athens students can register for the Drivers Education course two (2) months prior to his/her sixteenth (16) birthday (graduating students, in order to qualify for the driving program you would have to register prior to March 1<sup>st</sup> of your senior year, unless permission is granted from instructor and Principal.

The online course must be completed before students can begin driving instruction. It is recommended that you check with your insurance company to see if this course will lower insurance rates. PA DOT does not require a Drivers Education course for permit or licensure.
