Monthly reading tips from your Title 1 team

We're so glad you're here!

The faces behind the Title 1 newsletter!

Mrs. Stephens, Mrs. Ling, and Mrs. Horton

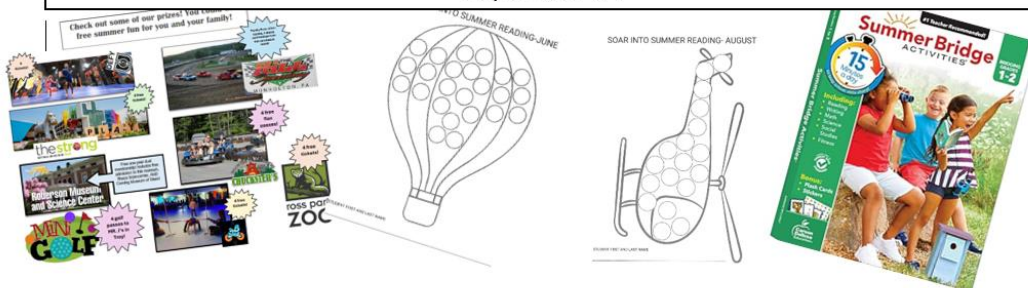

We hope everyone has had a wonderful start to their school year! It is such a joy to see our students' smiling faces back in the classroom again! 😊

A new year means a new newsletter! In our Title 1 newsletters you can expect to find information about upcoming literacy events, tips and fun ideas to help encourage reading at home, educational app and book recommendations for our students, and (our favorite) lots of pictures of students actively involved in literacy fun!

If you aren't quite sure what Title 1 is all about, check out the back!

REMINDER

If your child worked on their "Soar into Summer" reading packet or their "Summer Bridge" book, please don't forget to return them to their homeroom teacher by Friday, September 6th!

Our Summer Bridge Books are funded through Title 1. We have gotten several back, but don't forget to send your child's in so that we can reward their hard work! Even if they only completed a small portion of it, they will be rewarded! 😊

Monthly reading tips from your Title 1 team

What is Title 1?

In a nutshell... Title 1 is a federally funded program through which districts receive funding to provide supplemental instruction for students based on academic need. This funding allows us to work with struggling readers to provide them with small group instruction to help improve their reading skills. It also allows us to promote literacy and encourage families and students to read through engaging events called “literacy nights.” We have some fun events in store for this year that we can’t wait to share with you!

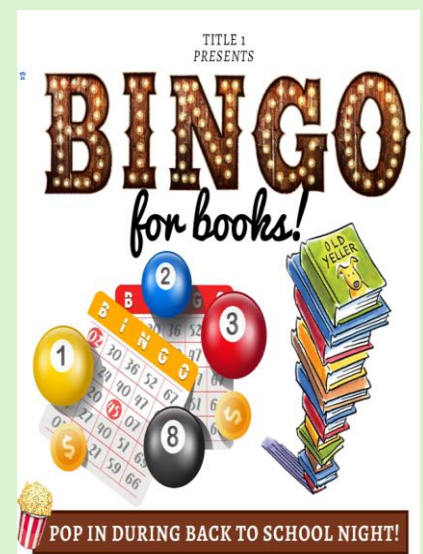

Are you interested in helping plan fun literacy events and celebrations in our school? We would love to have you join our Title 1 parent involvement committee!

To join, please reach out to one of the Title 1 teachers!
