

### DISTRICT SPECIFICATIONS

- 1) Mowing contract will be a three (3) year contract running from 5/1/2025 to 10/31/2027
- 2) All bidders must meet with the Director of Buildings and Grounds before work commences to inspect the grounds and clarify specifications
- 3) Mower decks shall be set at a cutting height of 3"
- 4) All buildings shall be mowed and trimmed once per week
- 5) Sidewalks and parking lots shall be swept if grass clippings are on these areas after mowing
- 6) Pick up papers and trash before mowing
- 7) Mowing **MAY NOT** be performed while students are outside of the buildings for activities
- 8) Finished mowing areas shall not have any visible grass clippings or clumps
- 9) Care must be taken during wet weather to not damage the turf. If damage occurs you will be responsible for the repair
- 10) In the spring, the high school baseball and softball fields will be mowed by district maintenance staff during those sports seasons, due to the frequency of mowing, to keep grass at optimum height

### DISTRICT REQUIREMENTS

- 1) All applicable clearances are required for all mowing employees  
**(Act 51, Act 134, and Fingerprints within 30 days of being awarded the bid.)**
- 2) Applicable contractors permits, as required by the township or borough where the work is being performed
- 3) Proof of insurance
- 4) Contractors must wear appropriate clothing while working

### NOTICE

Due to the possibility of some buildings being sold and/or moved, the district reserves the right to terminate the contract for such building.

The mowing contract will be a three (3) year contract. At the end of the third year, the contract will be re-evaluated by school district administration.
