

# COVID-19 Procedures For Positives or Quarantines over Break

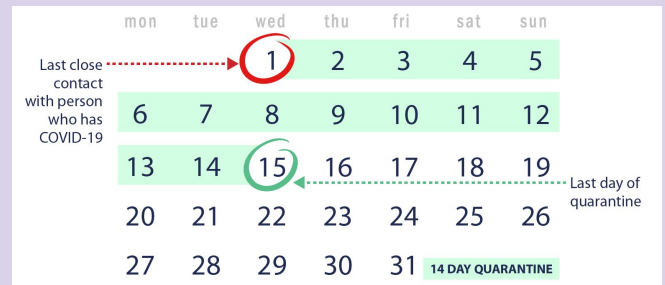

- Did your child test positive over break for Covid-19?
- Was your child quarantined by Greene County Public Health?
- Did someone over winter break start having Covid symptoms on Friday or Saturday?

If you are unsure if your child should return to school...**DO NOT RETURN UNTIL YOU HAVE SPOKEN WITH YOUR SCHOOL NURSE.**

## Quarantining Procedures

- If you receive a quarantine letter from county public health, figure out your last day of contact by going back two weeks.
- The CDC and Greene County Public Health recommend a test 5-7 days after an exposure. (This is a recommendation only not a requirement)

### Quarantining looks different for different age groups:
