Principal's Weekly - Happy New Year!

Happy New Year, AOT Family! 2024 Spring semester is upon us, and it is **busy!** Spring semester is chock full of state testing, dances, college visits, re-enrollment, performances, graduation, and, for some, a trip to Europe! Let's not get ahead of ourselves though. This semester is traditionally the more difficult as the weather starts to get even nicer around spring break, students get a bit restless for graduation or summer break comes into focus, but we have many important items to take care of before those things come to fruition. Re-enrollment is the first of those. These forms are important for us because they help us plan staffing, course offerings, and overall budgeting for the 24/25 school year. Students will be filling these forms out in the next few weeks, and Ms. Taylor will be following up with phone calls home. The High School Calendar on our website has been updated for January, and I will endeavor to continue with those updates as second semester gets underway. **Martin Luther King, Jr.** day is this Monday, and the school will be closed to observe this federal holiday. Then, on Thursday the 18th, we will have our annual **FAFSA night**. Parents of seniors; *please come to this event*. This is for federal financial aid; however, even if you will not be wanting to *borrow money* for your student's college, the **FAFSA is also mandatory for many scholarships**. **We hope to see on the 18th at 5pm!** Pavlich
