

*Providing Quality Services · Building Valued Partnerships*

***Our focus this year*** as always, is on supporting districts – supporting you – during this time. A different kind of school-year requires a different approach to professional development. Here at NWOESC, we will be adapting PD to fit *your* schedules. Stay tuned, stay flexible, and stay safe!

Please note the NWOESC will make every effort to hold events as scheduled, however dates, times and methods of delivery are subject to change. Whenever possible, changes or cancellations will be posted to the NWOESC online events calendar and an email with the event status sent to registrants within at least one week of the event.

The NWOESC has increased sanitation and put physical distancing measures in place for your safety. Some events may have a registration deadline, participant limit and/or other protocols. These will be detailed on each individual registration page.

Do not hesitate to contact our office with questions, ideas or concerns!
