PARENT INVOLVEMENT

Educational experiences are enhanced by partnerships between the school district and community.

Community Partners :

- CareSource
- Public Health Dayton, Montgomery County
- The Trotwood Church of Brethren
- Ohio Human Trafficking Task Force (University of Dayton)
- The Clubhouse (Ginghamsburg Church)
- Area role models for Boys to Men Mentoring Group

STUDENT SERVICES

A variety of services provide options to ensure all students receive individualized instruction, enrichment and support.

- Students identified as gifted – 7%
- Students with disabilities – 16%
- Special Education students receiving services – 100%
- Students identified as ESL – 15%
- ESL students receiving services – 100%

Successes and gaps in gifted:

- Significant increase of identification and services within the last 3 years.
- 1-5 clustering (this means that all students gifted are scheduled together so that their services come from the same teacher(s). Those teachers have reached their first year of the required 30 hrs paid.
- Students receiving services are at 91-100%; depending on areas of giftedness being serviced.
- GAPS: Curriculum and Instruction – Now that the structures are in place teachers need more training on more rigorous teaching.
- GAPS: Although students are gifted many still have knowledge gaps and are underachieving. We are working to close those gaps while also trying to tend to their giftedness.
