

## **The Victor and Janet Salitan BOCES 2 Scholarship**

### **I. Presentation:**

Victor Salitan served for thirty years as a school district attorney for several school districts, specifically for the Monroe 2-Orleans BOCES for approximately sixteen years. Mr. Salitan was the driving force behind acquiring the BOCES facilities. He was one of the founders of Monroe -Orleans VERITAS Development Corporation, one of the first not-for-profit education corporations in the State of New York. The purpose of this corporation was to purchase the BOCES 2 buildings from the Le Chasse Corporation from whom the buildings were previously leased. Mr. Salitan's foresight and expertise certainly assisted in the growth and development of BOCES 2.

In 1979, the Victor and Janet Salitan Fund was established at the Rochester Area Foundation. This gift is held by the Foundation as an endowment designated to benefit BOCES 2. This generous designation is yet another example of Mr. Salitan's vested interest in programs serving youth and affords students in BOCES programs additional opportunities.
