**BIG RED PROUD  
THANK YOU!**

Right before the start of the 2024-2025 school year, 80 kids at SHS received free haircuts, thanks to the generosity of two of our alumni. Joe Gabrielli from Deluxe Barber Shop and his sister Mia Gabrielli from Altered Images Hair & Nail Salon gave up their Sunday to help the kids start the school year with a fresh look. The kids left with big smiles and great haircuts. We are grateful to Joe and Mia for giving back to our students and for always remembering where they came from.

# SHS KEY CLUB CELEBRATES 75 YEARS!

Thank you to Jefferson County Commissioner Eric Timmons and the SHS Key Club for an inspiring Honor America assembly! Commissioner Timmons, a proud SHS alum, shared his journey from student to community leader, emphasizing the importance of seizing opportunities and learning from every experience, win or lose. His message reminded all of us that success is built on hard work and resilience. Special thanks to former Key Club advisor, John Georgiandis (Mr. George), who has spent 50 years empowering students and was the Key Club advisor for 20 of the club's 75 years. He expressed his pride in the Key Clubbers' dedication to community service and helping those in need.

A big shoutout to Avery Zorne, an eighth-grader at Harding Middle School and the Key Club's Honor America essay contest winner. Avery read her essay to SHS students and guests, reminding us of the strength in young voices.

# MAKING HISTORY! BIG RED PROUD!

SHS Golfer, Christopher Elliott had an opportunity to talk to our last State qualifier from 1956. Dr. Howard (Poe) Peterson was a local orthodontist before retiring.

They also did an interview together during the football game with Ohio Valley Sports!

We are thrilled to share Christopher Elliott has been named D1 Eastern District Player of the Year! His hard work, dedication, and outstanding performance on the golf course set him apart this season!

Additionally, a big shoutout to Scott Lane, who has been awarded D1 Eastern District Coach of the Year! His leadership, strategy, and commitment to the team have been instrumental in this incredible achievement.

Well done to both Christopher and Coach Lane for these well-deserved honors! Here's to even more success in the future!

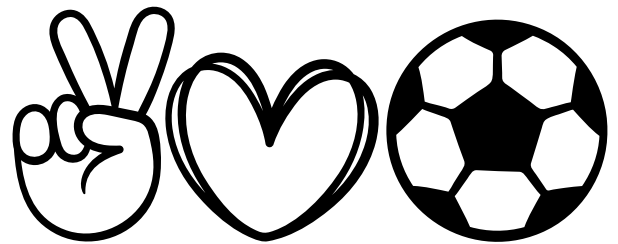

# MAKING HISTORY! BIG RED PROUD!

Exciting news! Junior, Bailee Beall represented SHS at the All-State Banquet in Columbus! She's made history as the FIRST girl at SHS to become 1st Team All-State in soccer!

# CHRISTMAS AT THE FORT- A GREAT TIME!

A great big thank you to everyone who helped make the SCS Night- Christmas at the Fort a great big success! The SCS Fine Arts Department provided fantastic performances and art displayed! Thank you to everyone who came out to enjoy the evening!

# SCS STUFF A BUS 2024 A GREAT BIG SUCCESS!

Embracing unity, sharing love and kindness, creating a cheerful atmosphere and sense of togetherness brings so much joy into the homes of our SCS families. We are so thankful for our community partnerships and proud to work together.

“We are beyond thankful for the generosity of so many. This is a strong community, and as we serve together, we are reminded of hope, strength in unity and the power of coming together as one,” she added. “Holidays stand as pillars of tradition, reflections of the enduring spirit that unite us, anchoring communities in shared values and experiences and it’s amazing what all can be accomplished when we come together for all the right reasons to make a difference. What makes the Christmas season truly special is when we forge connections among people and unite through a transformative experience, reinforcing the importance of compassion, generosity and community!”- Amy Colantoni

# CHANGE INC. SBHC PROVIDING DENTAL CLINIC AT STEUBENVILLE HS

## Welcome Dr. Thomas Brown

Dr. Brown, who is a Big Red alum and also had three children graduate from the high school, has practiced in the area for years and said it felt like coming home.

Jennifer Pierce, chief operating officer of CHANGE, Inc., added that having an on-site dentist benefits students in the district because they can receive service without having to lose time from school. The center was previously located inside the high school but is now in the Pugliese STEM Academy at the school-based health center.

# SCS SCHOOLS RANKED IN U.S. NEWS AND WORLD REPORT

U.S. News & World Report has released its latest rankings for educational success and Steubenville City Schools once again has made the list.

According to the publication, all four elementary buildings, including East Garfield, McKinley STEM Academy, Pugliese West and Wells Academy, as well as Harding Middle School were named among the 2025 Best Elementary Schools and Best Middle Schools because they placed among the top 40 percent in Ohio. A total of 59,128 private, public K-8 and public high schools were reviewed among the rankings and each of the Steubenville schools is eligible to display a trademarked Best Elementary Schools or Best Middle Schools award badge logo to celebrate their designation.

"We are incredibly proud of the recognition our schools have received from U.S. News & World Report as some of the top-performing schools in Ohio. This achievement reflects the dedication and hard work of our students, teachers, staff, and families across the district. It is a testament to the strong commitment to academic excellence and community collaboration that defines Steubenville City Schools," noted SCS Superintendent Melinda Young.

# EXCITING DISTRICT NEWS!

## STUBENVILLE SCHOOLS GAIN OVERALL 5-STAR RATING

The Steubenville City School District and three of its buildings have achieved overall 5-star ratings for their performance from state education officials. The Ohio Department of Education and Workforce recently recognized exceptional performances in Ohio's districts and buildings on 2022-2023 Report Card, and the Steubenville City School District is one of 75 districts across the state to be recognized as an overall 5-Star district. Additionally, Harding Middle School, Pugliese West Elementary and Wells Academy achieved an overall 5-star rating and were among 362 school buildings across the state to earn the distinction.

***"The 5-star rating is the result of the dedication of our students, ★★★★★ staff and parents."* - Mrs. Melinda Young ★★★★★**

Harding Middle School is celebrating its recent designation as a 2024 National Blue Ribbon School. Harding was among 14 Ohio schools to gain the honor from the U.S. Department of Education.

## *Steubenville High School Scholarships*

Please consider starting or contributing to the scholarship program at Steubenville High School. Giving back helps support the next

★★★★★★★★ generation of students and alumni. ★★★★★★★★

Steubenville High School distributes over \$145,000 to provide scholarships to deserving seniors who desire to continue their education and accomplish the goals they set for their futures. The money is in addition to what they receive from their colleges and universities. The awards are granted to students who have excelled academically and have contributed to their school or community. Your tax-deductible scholarship contribution not only incentivizes students to continue their education beyond high school but also emphasizes that academic achievement is valued in our community.

### **FOUNDATION FOR APPALACHIAN OHIO (FAO)**

We partner with the Foundation for Appalachian- a 501(c)(3) nonprofit community foundation in Nelsonville, OH. FAO's Mission is to create opportunities for the citizens and communities in Appalachian Ohio's 32 counties by inspiring and supporting philanthropy, including Jefferson County. As a result of the partnership, FAO works on the back-end investment and administration of SCS's scholarship funds, allowing SHS to focus entirely on the scholarship process- reviewing applications and selecting recipients.
