Dear Parent/Guardian,

This letter confirms that your child(ren) in your household is/was (are/were) attending the Union City Area School District which is a participating school in the U.S. Department of Agriculture's (USDA) Community Eligibility Provision (CEP) during the 2019-2020 and/or the 2020-2021 school year.

Eligibility for monthly internet service discount

Because your child attends the Union City Area School District which is participating in the CEP, you are eligible for the Federal Communications Commission's (FCC) Emergency Broadband Benefit Program (EBB Program). The EBB Program is a temporary federal program to help eligible households pay for internet service during the pandemic. The EBB Program provides a monthly discount of not more than \$50 per month on broadband service and associated equipment (for example, a modem) for eligible households and not more than \$75 per month for households on qualifying Tribal lands. If the participating household chooses an eligible plan that costs \$50/month or less, the household will receive that service for free, at least until the EBB Program ends.

Each participating household may also be reimbursed up to \$100 for one connected device—a laptop, desktop, or tablet computer—where available from a participating broadband provider, as long as the household contributes more than \$10 and less than \$50 towards the cost of the device. Each participating household is limited to a single device discount.

How to apply

To apply, you can fill out an application (either [online](#), by mail, or through a [participating service provider](#)) and submit a copy of this letter as documentation verifying your child/children receives school meal benefits through the NSLP or SBP.

If you have questions about the EBB Program, your eligibility to participate, or to find information about participating providers near you, please visit [GetEmergencyBroadband.org](https://www.usda.gov/ebb), call 833-511-0311, or email EBBHelp@usac.org.

Sincerely,

Mr. Matthew W. Bennett
