

COME CONNECT WITH US!

Stay tuned for details on these annual events!

Title I Night: Your “need-to-know” meeting about our school, its Title I status, and opportunities to connect throughout the year.

Heritage Night:

A celebration of all the cultures represented at Lindley Park Elementary. What’s *your* heritage?

Family Engagement

Nights: Opportunities for you to see what your child is learning, how he/she is progressing, and how you can support them at home.

Musical Performances:

Each grade level will share their talents in an in-person or virtual performance at least once during the school year.

Various PTO events:

Opportunities to get to know other Lindley Park families, provide service to the school, or simply enjoy family fun.

Annual Art Show: A night of celebration for all students at Lindley Park. This event provides an opportunity for students to showcase their art work for the community.

Family Engagement Compact Lindley Park Elementary School

Our school is committed to serving students and families.

Our administrators, teachers, and support staff will strive to...

Speak and act with positivity, creating an environment where staff, students, and parents are respected, accepted, and valued.

See the *whole* child, discovering not only academic strengths, but also the personal interests and unique personality traits of our students.

Conduct themselves in a respectful and honorable manner while at school and at all school-related activities or events.

Teach students skills that enable them to become life-long learners, assess those skills, and communicate progress to families.

Establish regular, positive communication with students and their families through the use of Classroom Dojo, School Status (phone calls, texts, and emails), and blue communication folders.

Our parents are committed to supporting student learning and building a positive school community.

Our parents and guardians will strive to...

Show a sincere interest in the education of their children.

Share pertinent information with teachers about students’ strengths and specific needs.

Maximize their children’s success by ensuring they arrive on-time and ready to learn each day.

Work with teachers, administrators, and support staff to provide a safe and respectful school environment.

Support Lindley Park’s parent-teacher organization (PTO) by attending meetings, responding to surveys, volunteering at school functions, or supporting fundraisers.

Our students are committed to learning and LEAPING!

Lindley Park Leopards will...

L.E.A.P with pride each day! Our students will:

Learn by paying attention in class, studying the material, and asking questions when they don't understand.

Encourage by demonstrating kindness and treating others with respect in accordance with the code of conduct.

Achieve by putting forth his or her best effort every daily.

Persevere by never giving up and sharing concerns with teachers about academics as well as their physical and mental well-being.

A Message from the Principal

This compact was thoughtfully created by our School Leadership Team and is in alignment with Asheboro City Schools' Strategic Plan, which includes goals for providing clear direction, fostering collaborative cultures, and enhancing learning. By adhering to this compact, we can all strive to LEAP and improve each day. Our students need us to invest in their education and demonstrate our commitment to these principles so they can take ownership of their learning. We value the community we have built here and encourage you to reach out if you have any questions or concerns. Open and frequent communication is one of our school's strengths. We appreciate everything you do for your children and thank you for allowing us to be part of their educational journey!

Best regards,

Keisha Dawalt
