

***This is an exciting time at Avonworth School District.
It's my honor to invite you to be a part of it!***

304 Josephs Lane, Pittsburgh, PA 15237

Dear Avonworth School Community,

For several years, the Avonworth School District's School Board and administration have worked diligently toward a construction and renovation project on the secondary campus to address our growing enrollment and necessary facility upgrades. I am excited to announce that the Avonworth Board of School Directors has accepted general construction bids for the base project and seven alternates from the lowest responsible bidders.

After modifying the project scope, it was sent back out for bids in January, and bids were opened on February 7, 2023. The estimated total project cost is \$33,872,186, and construction will begin on June 5, 2023. Additional details concerning the bids and financial impact of the project can be found on our district's construction project webpage.

This is an exciting time at Avonworth School District. It's my honor to invite you to be a part of it!

You are invited to attend a meeting for the community held by the District's construction manager, Massaro Construction Management Services, on May 3, 2023 at 6:30PM.

The meeting will occur at Avonworth High School in the Dr. Thomas Ralston Learning Lab, but you can also attend virtually via zoom. The meeting aims to provide an overview of the project, explain how the project will impact the secondary campus during construction, and offer you the opportunity to ask questions.

Please use the QR code below to register to attend the meeting. One code is for in-person attendance, and the other is to attend via Zoom. Please register ahead of time to assist us with planning and preparing for the meeting. Registration links are also available on the District's website: www.avonworth.k12.pa.us

We are very excited about the transformation that will take place on our secondary campus over the next couple of years. Updates will be shared on our website throughout the project. Please check the website regularly to view the progress of this project.

Thank you for your continued support of the Avonworth School District!

Sincerely,

Jeffrey M. Hadley, Ed.D.
Superintendent of Schools
Avonworth School District
