

# COMMENT FORM

DECEMBER 4, 2025

ERI-6  
PHASE 2 CORRIDOR  
PLANNING STUDY

## Instructions

After reviewing the project exhibits and fact sheet, please share your feedback with us regarding the recommendations for the ERI-6 Phase 2 Corridor Planning Study project. Comments are welcome anytime throughout the project process; however, for comments to be considered in the preparation of the planning study report, they must be submitted by **Friday, January 9, 2026**.

*Please be aware that all comments received are considered public comments and subject to disclosure under Ohio's Public Records Act.*

## Feedback on the Recommended Alternative

Please share your thoughts on the recommended **Shared Use Path (SUP) on the south side of US 6:** \_\_\_\_\_

---

---

---

Please share your thoughts on the recommended **Road Diet (reducing the 4-lane section of US 6 near Vermilion to 3 lanes, with SUP adjacent to the road on the south side):** \_\_\_\_\_

---

---

---

## Please share any general comments or questions about the overall project:

---

---

---

---

---
